Re: VISIT OF CNRP DELEGATION, H.E. SOR CHANDETH

Cambodia National Rescue Party of North America (CNRP-NA) is pleased to inform you that Senator Sor Chandeth, CNRP Provincial Head of Bantey Meanchey, will be touring your respective community in the next several weeks. Please consult with your local CNRP representatives for precise date and event.

We are honored to have Senator Sor Chandeth here since this is like a dream come true for him. Senator Sor is on a mission, to learn, to observe about life in North America, the way our system of government functions. He will share his journey here with the people of Cambodia, regardless how remotely they may live. He intends to tell a story, an inspiring one, of course, to lift up the spirit of those struggling farmers, the un-employed youths, the poor and the elderly.

Please give Senator Sor a warm and hospitable reception to your community. He is one extremely honest and hard-working CNRP leader among others. He counts on your supports and moral encouragement. We count on him and his men to get the people to vote in CNRP.

Thank you so much and we wish Senator Sor much success in his first political journey to North America.

Office of CNRP-NA Secretary General
